

HD Color quality with White toner – for breathtaking output on transfer media up to 11" x 17"!

The Pro8432WT Color Printer produces vibrant, high-quality color heat transfers easily and cost effectively.

The Pro8432WT from OKI — the leader in toner-based heat transfer printing — delivers White toner technology with solid opacity plus CMY color. It produces vibrant color transfers on both light and dark apparel, hard goods, promotional merchandise and more! The Pro8432WT offers the versatility that lets you adopt new applications, access lucrative new revenue streams and grow your business.

It's the easy-to-use, time-saving and affordable alternative to screen printing, allowing you to quickly and cost effectively deliver unique output with little to no setup costs. The compact Pro8432WT fits on a desktop and prints on transfer sheets up to 11" x 17" (Tabloid), combining enhanced High Definition (HD) Color printing and Single Pass Color™ technologies with a straight-through paper path for output that ordinarily requires expensive specialty media printing processes.

There is no compromising your designs or worrying about how vibrant colors will look on dark material. The Pro8432WT enables you to easily print what you need in-house, when you need it — with breathtaking results.

Fast print speeds and increased productivity – The Pro8432WT keeps work flowing smoothly, producing up to 16 full color transfers per minute (letter-size) and up to 9 tabloid-size (11" x 17") transfers per minute — even when applying full coverage at high resolution. Approved transfer media feeds from the 100-sheet Multi-Purpose Tray which also handles postcards and invitations. For day-to-day printing, the Pro8432WT has a 300-sheet paper tray and prints in color plus black through a mix of Cyan, Magenta, and Yellow toner.

We speak your language – The Pro8432WT delivers customized support for transfer media, allowing you to quickly set up jobs using familiar terms. This helps boost productivity by eliminating trial and error in the media selection process.

Unmatched warranty support – OKI is so confident in the reliable performance of the Pro8432WT Color Printer that we provide a 2-Year On-Site limited warranty on the printer³ and an industry-leading 5-year warranty on its LED printheads.

For details, contact your authorized Pro8432WT Dealer. Or, for the dealer nearest you, call 800.OKI.DATA (800.654.3282).³

Print Smart. Print OKI!

The Pro8432WT printer – HD Color quality with White toner for breathtaking transfer media output! Only from OKI.

Pro8432WT Color Printer

Specifications

Performance

- **Print Speed:** 8.5" x 11" Transfer Media – up to 16 ppm; 11" x 17" Transfer Media – up to 9 ppm¹
- **Processor:** 800 MHz PowerPC CPU
- **HD Color Printing Technology:** Combines multilevel LED printheads and microfine toner for sharp detail and rich color depth
- **Print Resolution:** 1200 x 600 dpi

Memory

- **Standard:** 256 MB

Compatibility

- **Emulations:** PostScript® 3™ (Emulation)
- **Operating Systems:** Microsoft® Windows® 8, Windows 7, Windows Vista®, Windows XP, Windows Server 2008, Server 2008 R2 x64, Server 2003; Mac® OS X 10.5 and higher

Connectivity

- **Network Interface:** 10/100/1000 Base-TX Internal Ethernet Print Server
- **Local Port:** High-speed USB v2.0

Resident Typefaces

- **Scalable:** 80 PostScript fonts

Paper Handling

- **Multi-purpose Tray (MPT) Input:** Up to 100-sheets – transfer media, card and mailing label stock

- **Standard Paper Input:** 400 sheets max. – (100-sheet MPT + 300-sheet Main Tray)
- **Paper Sizes:** MPT – Transfer media up to 11.6" x 17"; Main Tray – A3, Tabloid, A4 (LEF), A4 (SEF), Letter (LEF), Letter (SEF), A5, Legal 13/13.5/14, Executive
- **Paper Weight:** MPT 17 lb. bond – 140 lb. index (64 – 256 gsm); Main Tray 17 lb. bond – 54 lb. bond/80 lb. cover (64 – 220 gsm)

Environmental

- **Size (WxDxH):** 17.6" x 21.7" x 14.2" (449 mm x 552 mm x 360 mm)
- **Weight:** 81.6 lb. (37 kg)⁴
- **Power Consumption:** Idle 100W; Operation 700W; Max 1,400W; Power save <12W; Deep sleep mode <1.0W
- **Acoustic Noise:** Operating – 52dBA or less; Standby – 32dBA or less; Power save – Background level

Supplies

- **Toner Cartridges and Image Drums:** Separate Cyan, Magenta, Yellow and White
- **CMY Toner Cartridge Life:** 10,000 pages⁵
- **White Toner Cartridge Life:** 4,500 pages⁶
- **CMY Image Drum Life:** Approximately 30,000 pages⁷
- **White Image Drum Life:** Approximately 9,000 pages⁷

Warranty

- **Printer:** 2-Year On-Site limited warranty³
- **Digital LED Printheads:** 5-Year limited warranty
